Dear Parents,

I hope that you are enjoying your summer.

As we prepare for the 2018-2019 school year, we are working on the carpool/pick up system in order to be ready for the first day of school.

To ensure that your child(ren) will be dismissed in a safe and orderly fashion at the end of the day, please choose one of the options below and complete the registration form outlining your carpool/pick-up arrangement preference.

Spring Farm Early Childhood has three options:

Option #1: Carpool

Procedure:

- Cars enter single file through the SOUTH gate with the carpool number visible in the front right windshield.
- The children, grouped according to carpool numbers in the school lobby, will be brought outside to their waiting carpool.
- It is the carpool parent's responsibility to load and buckle the children into the car.
- Cars exit through the NORTH gate.
